Case No. RG 13679736

Assigned For All Purposes To:
Judge Frank Roesch

**DECLARATION OF JAMIE WIOR IN
SUPPORT OF DEFENDANTS' ANTI-
SLAPP MOTIONS**

Action Filed: May 16, 2013

1 I, Jamie Wior, declare as follows:

2 1. I am over 21 years of age. I have personal knowledge of the facts set forth herein
3 and, if called as a witness, could and would testify competently thereto.

4 2. I have worked as Derek Fisher's business manager and media advisor in house since
5 2009. In this capacity, I have helped Mr. Fisher manage his professional and personal affairs, as
6 well as overseen his off-court business-development opportunities, marketing, public relations and
7 community-outreach initiatives. I have also assisted him in fulfilling his responsibilities as President
8 of the NBPA, among my many other responsibilities. Before 2009, I worked for Mr. Fisher as a
9 media relations and branding advisor while at a firm also serving other high profile accounts.

10 3. I was asked to serve as an advisor to the Interim Executive Committee of the NBPA
11 in late January 2013. I was later asked to temporarily continue this role by the Executive Committee
12 on February 17, 2013. My responsibilities to the NBPA included organizing calls and meetings,
13 creating documents, and assisting them with overseeing the staff and potential issues within the
14 NBPA, including ensuring that the players were being given unfiltered and unbiased information,
15 implementing a reporting structure, allowing them to vote on all matters, and other assistance.

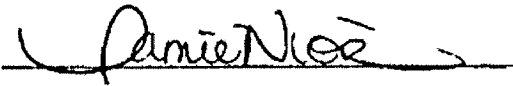

16 4. I never asked for, sought, received or expected any gainful employment by or with
17 the NBPA. I already held a high-level position with a company I had no intention of leaving and
18 only volunteered my services because there was a time-sensitive need for assistance by these
19 Committees. My professional commitment was to Mr. Fisher during the lockout and later to the
20 Interim Executive Committee and the Executive Committee that I assisted. I never had aspirations
21 for a permanent role with the NBPA and even stated that to the Executive Committee. I never
22 intentionally interfered with Mr. Hunter's authority as NBPA Executive Director.

23 5. Mr. Hunter also alleges that I was motivated to interfere with his relationship with the
24 NBPA based on my desire "to craft a new public persona for Fisher." Again, this is untrue. I have
25 always encouraged Mr. Fisher to speak publicly about his role in the NBPA because I believe, as Mr.
26 Hunter first encouraged, that it was important for Mr. Fisher to keep the players and, at times, the
27 media informed of issues of public interest. Based on my experience, this was not part of the
28 NBPA's culture prior to Mr. Fisher's role as President.
